

Ali EL AZZOUZI

PCI QSA - CISA - Lead Auditor ISO 27001 - ITIL

Ali EL AZZOUZI is a cybersecurity expert. He was involved for more than 10 years in several missions of Security Consulting within the Canadian, French, and Moroccan organizations. He had also occupied several positions within the software firms where he was responsible for business development of security activities. In 2009, Mr. AZZOUZI founded DATAPROTECT, a pioneer company in designing, developing, and selling data security software that enables companies to protect sensitive corporate data and other proprietary information.

On a different note, Mr. AZZOUZI chairs the Moroccan chapter of the International Association of Cybercrime Prevention. He is Certified PCI QSA, CISA, L.A ISO 27001 and ITIL. Ali EL AZZOUZI holds two MBA in E-business and in Management of the NTIC from the University of Laval in Canada. He is the author of a French book entitled “Cybercrime in Morocco” published in June 2010.
